Dear Dorsey:

STAT It was good to get your letter of the 29th of November. I am rather tied up on the evening of the 14th, but I could easily see you in the late afternoon of the 15th of December, and I shall tentatively note on my pad 6:30 P.M., at our house, [REDACTED] If this is not convenient, I could see you somewhat earlier in the afternoon on Thursday, the 15th.

Sincerely,
